Case No. 2:22-cv-01972 -NJK

ORDER

[Docket No. 17]

12 Pending before the Court is Plaintiff's unopposed motion for extension of time to file
13 Plaintiff's brief. Docket No. 17.

14 A request to extend a deadline set by the Federal Rules must be supported by a showing of
15 good cause. Fed. R. Civ. P. 6(b). Plaintiff seeks a forty-five day extension to file his opening
16 brief. Docket No. 17 at 1. Plaintiff submits that this extension is necessary because his counsel
17 has over 100 briefs due in the next month. *Id.* "[A]ttesting that an attorney has overloaded his
18 work obligations such that he cannot comply with established deadlines is not only an insufficient
19 basis to modify case management deadlines, it is cause for alarm." *Williams v. James River Grp.*
20 *Inc.*, __ F. Supp. 3d __, 2022 WL 4181415, *4 (D. Nev. 2022) (internal citations omitted).
21 Plaintiff's submission, therefore, cannot constitute good cause to extend the deadline to file his
22 opening brief. However, as a one-time courtesy to Plaintiff, the Court **GRANTS** his unopposed
23 motion for extension of time to file Plaintiff's brief. Docket No. 17. Plaintiff must file his opening
24 brief no later than May 15, 2023.

25 IT IS SO ORDERED.

26 Dated: March 27, 2023
